Remember Baldwin

With the completion of your project, remember that Baldwin quality hardware products are available for all your decorating and remodeling needs. Matching entrance sets for exterior doors, beautiful bath accessories, and a complete selection of cabinet and door-enhancing hardware are all available from your Baldwin retailer.

To request a product brochure or the name of a retailer near you, call 1-800-566-1986.

Congratulations!

With your purchase of this Premium Full Dummy Trim Set, you're among a group of discerning individuals who know the intrinsic value of selecting the finest—Baldwin.

Our step-by-step installation instructions will help guide you through your project quickly and easily.

Before you begin your installation, read and understand the installation instructions and marking templates. If you have any questions, please do not hesitate to contact our Baldwin Consumer Help Line at, 1-800-566-1986. We're here to help! We thank you for your purchase and wish you the fullest enjoyment of your Baldwin product.

Care and Maintenance

WARNING: Do not attempt to clean your hardware with any type of abrasive cleaners, solvents, or chemicals. These types of cleaning agents may mar the finish. A damp cloth is all that is necessary to wipe clean. **Note:** Finish Number 102, Oil-Rubbed Bronze, can be cleaned with light machine oil and wiped with a dry cloth.

Baldwin offers a vast array of exceptional solid brass products to elegantly enhance all areas of the home. Each collection features a wide variety of beautiful, high-fashion finishes. From door hardware to bath accessories, Baldwin provides the discriminating decorator with numerous options to accent and complement the home's ambience with distinction, taste, and fine detail.

1 Before You Begin

- Remove and discard all materials and screw(s) used for packing your Full Dummy Trim Set. Verify that you have all parts pictured on exploded view section of instructions.
- Check the thickness of the door. This Full Dummy Trim Set works on doors 1 1/2" thick only. For doors greater than 1 1/2" up to 2 1/4" thick, contact our Consumer Help Line at 1-800-566-1986. The conversion kit part number for this item is 5399.XXX.D; please specify the finish of your product.
- Follow the step-by-step sequence to ensure proper operation of your Baldwin lockset.
- If your door is pre-drilled, see Full Dummy installation step 1. If it is not pre-drilled, see door preparation step 1.
- We recommend spreading cardboard over floor to prevent scratching parts and marring floor.
- Always wear protective eyewear.

Note: The illustrations in these instructions depict the outside handle being installed on the right of the door. For installation of the outside handle on the left of the door, proceed as if all illustrations were reversed.

Troubleshooting Guide

If parts are missing do not return product. Please call Baldwin's Consumer Help Line at 1-800-566-1986 and we will quickly send the parts to you.

Problem Screws are all tight but the hardware is not firmly attached to the door. Knob or lever keeps coming off the spindle.	Solution Check door thickness. Door must be 1 1/2" thick. Hardware will not install on doors less than 1 1/2" thick. Ensure that set screw on knob or lever is fully tightened on the spindle with allen wrench provided. Refer to full dummy installation step 7.
